—≡A GREAT≡— Odds and Ends Sale

NEXT WEEK

Louis Freidman & Co.

As a result of sensational heavy selling during the great sale, find themselves with hundreds of lots representing only one or two of a style in the Clothing, Shoes and Dry Goods section.

THESE GOODS MUST GO

and you are notified to get your share at the season's most ridiculous prices. *This week will be a perfect carnival of good things for shrewd buyers.* All articles attractively arranged so that selections can be easy. Read through this list, mark the bargain you want and bring this paper with you. These odd lots are priced at about half of even last week's low prices; so a dollar will cover a multitude of items.
